

AREA BUSES

Area Bus Services replace normal outward feeder route services Monday to Saturday evening.

Area No. 291 north-Weston Creek covering normal Routes 213 & 214
 292 south-Weston Creek " " 210, 211, 212
 293 Kambah " " 22, 23
 294 Wanniassa/Monash " " 503, 504
 295 south Woden " " 9, 10, 11

Additional area buses 281-286 operate on Friday night.

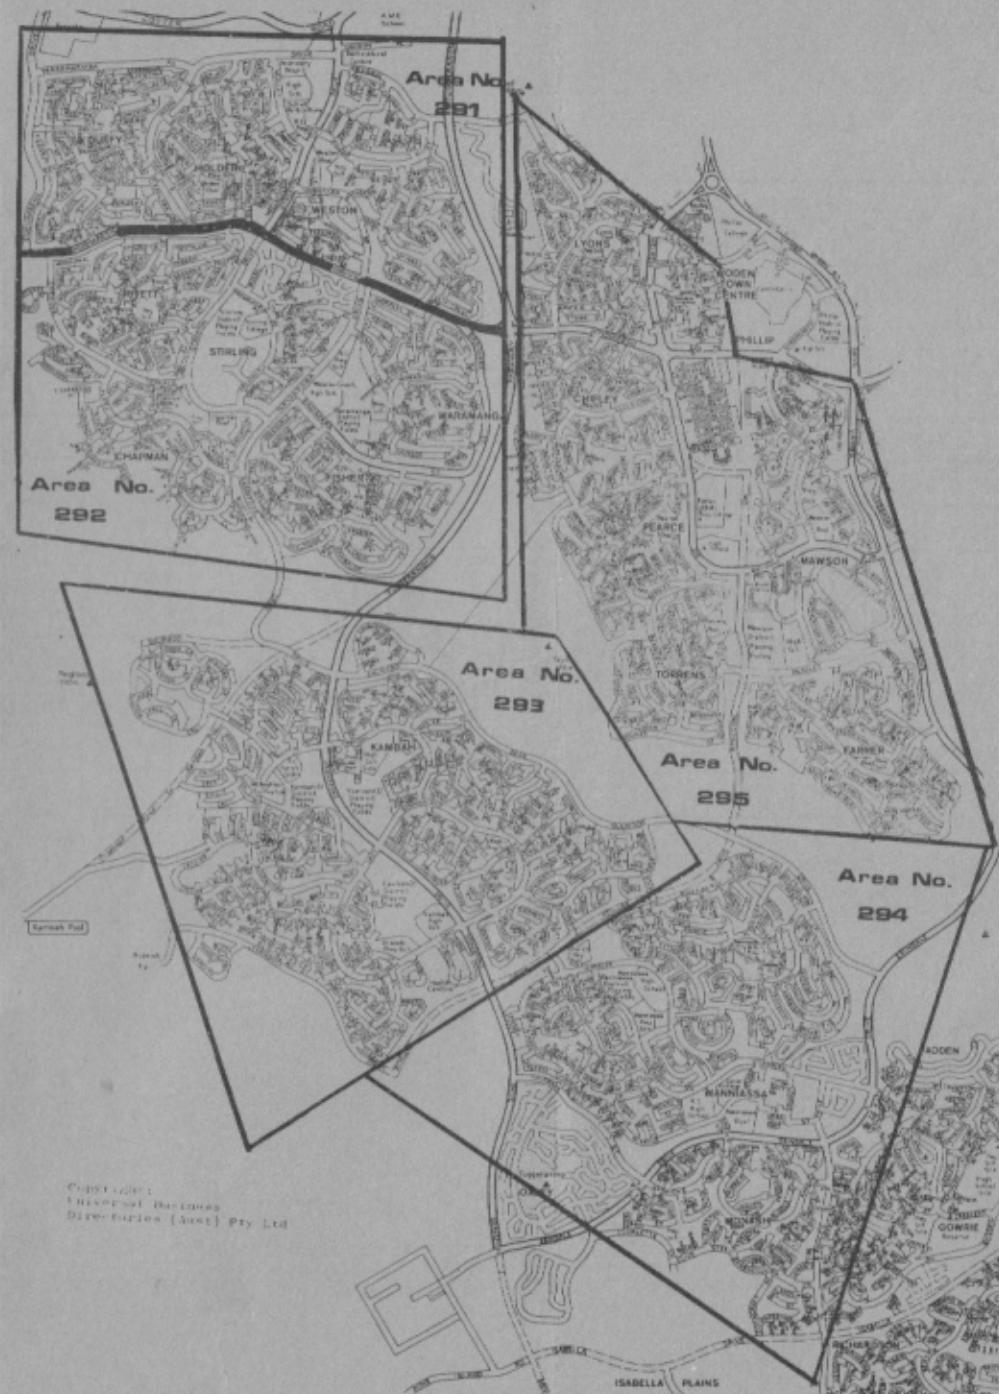

Area buses do not operate on fixed routes, as do the daytime services. Instead they service an area, using a combination of adjacent daytime routes. The actual route taken depends on where passengers wish to travel within an area.

The map inside shows the standard areas and their numbers. These numbers will be displayed on buses travelling through those areas.

Board the bus at the platform indicated on this timetable and advise the driver of your destination. He will then plan an optimal route to cover the requirements of all passengers.

If you wish to board a bus at any stop other than at the interchange to travel further out along a route in a particular area, please ring 95 5216. Then advise the supervisor of the exact location of the stop where you wish to catch the bus. The duty supervisor will give you the route number of the bus that will pass the nominated stop and the estimated time of arrival.

Inbound services continue as an hourly frequency as shown on the standard timetable and continue to operate with normal route numbers.
